

The New Era of Uveitis: Embracing Modern Technology

Course organizers

Chairperson: Vishali Gupta, MD

Course Coordinators: Rupesh Vijay Agrawal, MD, FRCS, MMed, Esen K. Akpek, MD, David S. Chu, MD, Phoebe Lin, MD, PhD, Careen Y. Lowder, MD, PhD, Quan Dong Nguyen, MD MSc, FARVO and Carlos E. Pavesio, FRCOphth, MD

Clinical trials in uveitis: What everyone needs to know

Moderators: Lyndell L Lim, MBBS, DMedSci, FARVO and Jennifer Cao, MD, MD, MPH

3:30 – 5pm

This session will explore clinical trials for uveitis classification, standardizing imaging nomenclature and incorporating AI tools in uveitis clinical trials. The session will close with a discussion on defining endpoints.

Presentations		
3:30 PM	Standardizing Uveitis Research to Enhance Future Clinical Trial Comparability and Systematic Reviews: The Standardization of Uveitis Nomenclature (SUN) Experience.	Douglas A. Jabs, MD, MBA
3:45 PM	Standardizing Imaging nomenclature for trials	Sapna Gangaputra, MD, MPH
4:00 PM	What is the National Eye Institute doing to promote standards for clinical research?	Speaker pending
4:15 PM	Defining Endpoints in Uveitis Trials	Edmund Tsui, MD, MS
4:30 PM	Questions and answers	All
4:50 PM	Concluding remarks	Vishali Gupta, MD

*Presenters and presentations are subject to change without notice.
